APPELLATE PRO BONO PROGRAM INFORMATION AND APPLICATION FORM AND AFFIDAVIT OF FINANCIAL NEED

The Colorado Bar Association's (CBA) Appellate Pro Bono Program may help you obtain a lawyer to assist with your appeal in the Colorado Court of Appeals and the Colorado Supreme Court. If you cannot afford a lawyer you may qualify for this program.

The program applies only to civil cases. In the Court of Appeals, it does **not** apply to unemployment, prison discipline, or criminal cases. In the Colorado Supreme Court, a civil matter for the purposes of this program does not include criminal cases or cases involving post criminal conviction relief, prison discipline, habeas corpus appeals, ballot title appeals or election appeals.

Please complete this application as soon as possible. If you are in the Court of Appeals, you must submit this application no later than 14 days after the appeal information sheet is sent to you by the Court of Appeals (sent after you or the other side has filed a Notice of Appeal). If you are in the Supreme Court, you must submit this application no later than 14 days after the date the Court of Appeals renders its decision. You must also complete and file with the Supreme Court a Motion for Extension of Time using the attached form, which will automatically give you an additional 60 days to file a petition for certiorari. Return the completed application to:

Colorado Bar Association Appellate Pro Bono Program 1290 Broadway, Suite 1700 Denver, CO 80203

The program committee may contact you, and any lawyers who may have worked on your case. These conversations are confidential and will be used only for the selection process. The committee may also discuss your case with its volunteer lawyers. The committee chooses cases based on your income and the importance of your legal issues. To qualify for the program, your income must be below 125% of federal poverty guidelines.

If the program accepts your case, we will contact you within 45 days. We will then provide you with the name and telephone number of the lawyer who is willing to take your case.

For more information about the program, please visit the CBA website: www.cobar.org.

NOTE: Your case may not be accepted by the Committee. All court deadlines still apply and must be followed. This includes the deadlines for filing a Notice of Appeal and submitting briefs. If your case involves a petition to the Supreme Court for writ of certiorari, you must file a motion for an extension of time with the Supreme Court using the attached form.
